

BEML BESTOWED WITH RAKSHA MANTRI AWARD

BEML LIMITED, a Mini Ratna Category-I Public Sector Company under the Ministry of Defence, has received the prestigious 'Raksha Mantri's Award for Excellence' under the Group Award category for Design & Development of 180 Ton Class Electric Hydraulic Excavator BE1800E.

At a function held at Manekshaw Centre, New Delhi, Shri Deepak Kumar Hota, Chairman and Managing Director, BEML received the Cash Award on behalf of the Company from Shri Arun Jaitley, Hon'ble Defence Minister while Dr. Subhash Bhamre, Hon'ble Minister of State for Defence, presented the Certificate of Excellence to Shri BR Viswanatha, Director (Mining & Construction), BEML in the presence of Shri AK Gupta, Secretary (Defence Production), Govt. of India.

Shri Arun Jaitley, Hon'ble Raksha Mantri, presenting the Cash Award to Shri Deepak Kumar Hota, Chairman & Managing Director, BEML and Dr. Subhash Bhamre, Hon'ble Minister of State for Defence, presenting the Certificate of Excellence to Shri BR Viswanatha, Director (Mining & Construction), BEML

BEML BE1800E, a 10 Cubic Metre loading capacity, the biggest ever Excavator designed and developed in India, is packed with leading-edge technologies, offers a host of advantages, maintainability and operator comfort, as well as low operating costs. The electrical excavator is cost-efficient and emission-free alternative to the engine-driven excavators. This equipment is working at Singareni Collieries Company Ltd., (SCCL), Ramagundam, Telangana State since two years and has clocked over 12,000 hours of operation with very high uptime.

Truly reflecting the 'Make in India' policy of the Govt., BEML, through its R&D Establishment, has been designing and developing various products for all its three business verticals. The latest such products for Defence & Aerospace segment are ARRV (Arjun Recovery & Repair Vehicle), High Mobility Vehicles (6x6, 8x8, 10x10 & 12x12) for Projects viz., SMERCH, PINAKA, AKASH, AGNI, BRAHMOS & RADARS), Sarvatra Bridge System, Mine Plough and 4x4 Aircraft Towing Tractor. In respect of Mining & Construction segment, BEML has recently designed and developed BH150E & BH205E Electric Dump Trucks and BD50 HST Dozer. As far as Rail & Metro business is concerned, BEML has designed and developed Stainless Steel EMUs for mass transport, 8 Wheel Overhead Inspection Cars (OHE) for rail maintenance, Metro Cars for Metro Rail Corporations of Delhi, Jaipur & Kolkata and Intermediate Cars for Delhi Metro & Bangalore Metro.
