

BEML exhibits its prowess at IMME-2016

BEML LIMITED, a Public Sector Company under the Ministry of Defence and a premier indigenous manufacturer of earthmoving equipment over five decades, is participating in big way in the IMME-2016, the 13th International Mining & Machinery Exhibition and Global Mining Summit being held at Eco Park, Rajarhat, Kolkata from 16th to 19th November 2016.

Dr. Amit Mitra, Hon'ble Minister-in-Charge of Finance, Excise, Commerce & Industries, Public Enterprise, Industrial Reconstruction inaugurated BEML Stall at the Exhibition venue in the presence of Shri Deepak Kumar Hota, Chairman & Managing Director and Shri BR Viswanatha, Director (Mining & Construction), BEML. The Hon'ble Minister and the distinguished guests went around BEML Stall and appreciated BEML's continuous efforts in providing support to the mining industry of the country and many overseas countries, as well.

In the exhibition at Indoor Stall No.024 – Hangar ‘A’, BEML is focusing on mining equipment showcasing its higher capacity Dumpers, Dozers and Excavators. BEML equipments are known for self-reliance, higher productivity, user-friendly and popular in the mining industry. Being a leader in the segment, BEML's mining machinery are fully indigenized and robust with improved versions. With its state-of-the-art R&D establishment, BEML has been launching several improvised equipment over the years.
