

## **BEML ENTERS DREDGING BUSINESS**

With an objective of strengthening the “Make in India” initiative by Government, BEML LIMITED, a Defence Public Sector, has signed a Memorandum of Understanding (MoU) with Dredging Corporation of India Ltd for indigenous design, development and manufacture of spares for dredgers.

The above MoU was signed by Shri P Dwarakanath, CMD, BEML and Shri Rajesh Tripathi, CMD, DCI Ltd. in the presence of Shri Nitin Gadkari, Hon'ble Minister for Road Transport and Highways and Shipping and Shri Rajive Kumar, Secretary, Ministry of Shipping.

This MoU is for supply of various type of spares for the existing Dredgers and also supply of Backhoe Excavators for new Dredgers. Spares include heavy fabricated and machined components and hydraulic aggregates.

By leveraging the infrastructure and technology base developed for Mining & Construction Machinery, BEML has entered into Dredging Business.
