**NOTICE FOR INVITING EXPRESSION OF INTEREST FOR APPOINTING DISTRIBUTOR
TO MARKET BEML MINING AND CONSTRUCTION PRODUCTS IN OMAN**

SECTION - 1

EXPRESSION OF INTEREST

1.1 INTRODUCTION:

BEML Limited is a leading multi-technology and multi-location company under the Ministry of Defence, Government of India, offering high-quality products for diverse sectors of economy such as Coal, Mining, Steel, Cement, Power, Irrigation, Construction, Road building, Aviation, Defence, Metro and Railways.

BEML offers a comprehensive and diverse range of mining machinery for opencast mines. BEML produces machines such as Hydraulic Excavators, Bulldozers, Wheel-Loaders, Wheel Dozers, Dump Trucks, Motor Graders, Pipe-layers, Tyre Handlers, Water Sprinklers and Backhoe Loaders.

BEML has been in existence since 1964 and has sizeable market share in domestic market with more than 7000 units deployed across various sectors of economy. BEML has exported more than 1000 units of mining and construction equipment worth about US\$ 275 million to more than 65 countries across the world.

The notable international mining reference sites are in Zimbabwe, Indonesia & Thailand in Coal, Tunisia, Algeria, Morocco & Syria in Phosphate and Myanmar in Jade, apart from major companies mining Zinc, Aluminum, Copper, Iron Ore and Coal in India. Repeat orders from customers from Syria, Tunisia, and Zimbabwe for its products are the testimony for its commendable performance. BEML is in the process of augmenting its distributor network.

1.2 EXPRESSION OF INTEREST (EOI):

BEML Limited intends to appoint distributor in the Oman territory to promote the business for Mining and Construction equipment like Hydraulic Excavators, Bulldozers, Motor Graders, Dump Trucks, Water Sprinklers, Pipe Layers, Wheel Loaders and Backhoe Loaders with provision for promoting other range of BEML products including Rail & Metro and Defence, based on competence, resources and capabilities, upon mutual discussions.

1.3 RESPONSE TO THE "EXPRESSION OF INTEREST" - (EOI):

The applicant should submit following documents as response to **"EXPRESSION OF INTEREST" - (EOI)**.

1. Duly filled "Application for Distributorship", furnished at Section 4 of the EOI document along with supporting documents needs to be furnished and should bear the seal and signature of authorized person of the applicant.

2. Supporting documents as per "Qualifying Criteria" at Clause 1.3.1 of the EOI document to be furnished.

**NOTICE FOR INVITING EXPRESSION OF INTEREST FOR APPOINTING DISTRIBUTOR
TO MARKET BEML MINING AND CONSTRUCTION PRODUCTS IN OMAN**

1.3.1 QUALIFYING CRITERIA:

- (a) The applicant should have been a successful dealer/representative for a period of minimum 03 Years in sales and servicing of Engineering equipment like Heavy duty Trucks or Earthmoving or Construction machinery or any other Industrial product. Supporting document(s) for dealership with details to be submitted.

Or

Applicant owning a fleet of at least 5 units of Mining equipment and engaged in Mining, involving maintenance of Mining and Construction equipment having workshop facilities and keen to deploy BEML equipment is also eligible to apply. Supporting document(s) for owning the fleet of Mining equipment and details of Mining work / sites to be submitted.

Or

Applicants who have purchased minimum of 5 units of BEML Mining and Construction equipment during the last 5 years and willing to become distributor of BEML are also eligible to apply. The proof of purchase to be furnished.

Or

Applicant who is keen to become distributor of BEML and having financial strength to purchase a minimum fleet of 5 equipment or equipment of value USD 500,000 and willing to setup service and spare parts facilities for Mining and Construction equipment are also eligible to apply. However, the distributorship will be considered only after purchase of 5 units of BEML equipment or minimum value of USD 500,000. Applicant should furnish a declaration on its Letter Head conveying acceptance of this clause.

- (b) The average annual turnover net of duties & taxes of the applicant company/applicant firm for the three previous financial years shall not be less than USD 1,000,000 and should have positive net worth. A certificate from Statutory Auditors to be furnished as proof.
- (c) A Solvency Certificate for value of USD 1(one) million from bank to be furnished as proof for the applicant company or firm.
- (d) The applicant should not have been debarred / black listed by Govt Departments / Undertakings of Government, banks and financial institutions in India or country of operation. Applicant should furnish a declaration on its Letter Head conveying confirmation to this Clause.
- (e) The applicant should not represent, as agent or distributor for competitors models, which are also in the production range of BEML. Applicant should submit a declaration on its Letter Head conveying confirmation to this clause, stating that applicant is not representing as agent or distributor for competitors models, which are also in production range of BEML

Note:

1. BEML reserves the right to accept or reject any application, at any time without assigning any reason.
2. Supporting documents for the above must be submitted along with the application.
3. The applicant should submit duly filled "Application for Distributorship" as per the Format furnished at Section 4, and should sign and stamp all pages of Application for Distributorship.
4. The distributorship shall be for a period 2 years. Based on the performance of the distributor during the first year, BEML may consider enhancing the territory of the distributor. However, in case the performance is not satisfactory for the two years, then the distributorship shall be terminated by BEML, for the reason of non satisfactory performance.
5. For the projects committed jointly by BEML and successful bidder, which have a long gestation period, after sales service support and warranty support can be covered on case to case basis, till such services are completed

1.4 EVALUATION OF "EXPRESSION OF INTEREST"- (EOI): Successful applicant will be shortlisted by BEML based on the following criteria.

1. All the applicants whose response to expression of interest (EOI) substantially meet or exceed the specified requirements as per clause 1.3 and 1.3.1 will be shortlisted by BEML.
2. Based on the details and supporting documents furnished at Section 4 and also on the proof furnished for qualifying criteria, marks will be awarded
3. A list indicating highest to lowest marks will be prepared based on the "EVALUATION SHEET FOR DISTRIBUTORSHIP" furnished at Section 5 of the EOI document. The applicant scoring highest marks will be termed as H1 and subsequently, H2, H3 etc, in descending order of marks scored by the applicants.
4. H1 Applicant who scores highest marks based on the "EVALUATION SHEET FOR DISTRIBUTORSHIP" furnished at Section 5 of the EOI documents will be shortlisted. Shortlisted applicant will be called for further discussions at BEML Ltd India. BEML team, if required, may visit Applicant's facilities for capacity assessment, before completing the selection process. However, in case if shortlisted applicant fails to establish satisfactory evidence for qualifying criteria, Resources, Financial capabilities, or in case, H1 applicant becomes non-responsive or rejected by BEML during the process of evaluation, then H2 applicant, who scores second highest, will be shortlisted. In case if H2 applicant also fails then H3 applicant will be shortlisted, for further processing.
5. BEML reserves the right to accept or reject the applicant or whole process without assigning any reason whatsoever to the applicants.

SECTION - 2 SCOPE OF WORK

BEML Limited intends to have a long term understanding with the Distributor in promoting BEML Mining and Construction equipment with prospective customers, Government Departments and other stake holders in the respective territories.

5.1 SCOPE OF BEML

- a) BEML will supply the equipment to the Distributor and any enquiries received directly or indirectly within the territory, shall be routed through the Distributor.
- b) In the event of purchases made by Government / Semi Government and large institutions, where direct sales are involved, BEML will protect the Distributor's interest and an agreed rate of service charges with specific scope of work assigned by BEML on case to case basis, for which separate agreement will be signed.
- c) BEML shall support the Distributor by providing product literatures, advertisement materials for participating in major trade related exhibitions etc. that may be required.
- d) BEML shall provide Technical support and assist the Distributor in promoting BEML products and services.
- e) BEML shall assist Distributor in setting up of service facility and spare parts depot. While the cost of establishing Service facilities is Distributor's responsibility, BEML shall assist Distributor by giving Layout plan, list of Special tools and other facilities required.
- f) BEML shall provide Training of Customers staff and Distributor's staff in India for specific skill training, subject to mutual agreement on cost and the period of deputation.
- g) BEML shall depute service engineer (Specialist in Machine, Engine, Hydraulics etc) to support Distributor's team in the initial years of big contracts.
- h) BEML shall provide special tools for Engine, Hydraulics and Transmission, cost of special tools to be borne by Distributor.

5.2 SCOPE OF DISTRIBUTOR

- a) To continuously liaise with customers and generate business interests for BEML Mining and Construction equipment.
- b) To facilitate and liaise with Government departments and Ministries to generate business for BEML Mining and Construction equipment.
- c) To obtain tender documents for BEML equipment from Government and non Government institutions and forward the same to BEML from time to time.
- d) To submit the tenders within due date and attend the tender opening.
- e) To maintain sufficient stock of required spare parts to maintain the equipment.
- f) To setup warehouse and bonded warehouse facilities for stocking up adequate spare parts as recommended by BEML.
- g) To supply adequate number of man power at customer site to provide after sales service.
- h) To provide local logistic and transport support to BEML personnel deputed for providing after sales service.
- i) To provide local logistic support in the territory and to arrange co-ordination of all import activities including customs clearance at the port of entry.
- j) To liaise with the shipping agent, local transportation authorities and ensure safe transportation of products to the customer site by taking necessary approvals, accommodate in distributor's warehouse/storage facilities if needed.

Notwithstanding the above, the distributor should be willing to support BEML in any issue which may arise in due course during the execution of the contract and wherever BEML Limited seeks support.

SECTION – 3
